Voltage	110
Amps	3
Hz	60
Phase	1
Plug Type	NEMA 5-15P
Electrical Cord Length	90"

Boost impulse sales of ice cream, popsicles, and other frozen novelties by displaying them in style with this Avantco ICFC6 5.7 cu. ft. curved lid display freezer! A great addition to markets, diners, convenience stores, and ice cream shops, this freezer's sleek curved lid offers added visual appeal over models with flat lids while providing crystal clear visibility of your hottest selling cold treats. The white powder coated steel exterior with a gray frame gives this unit a durable, attractive construction while the painted steel interior is extremely simple to clean. To help you keep your freezer organized and better promote your frozen food, this model comes with 2 hanging baskets that are great for keeping smaller items like ice cream sandwiches within easy reach of your customers.

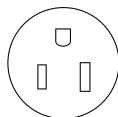

This display freezer's 1/4 hp compressor runs on R-134a refrigerant and combines with foamed in place polyurethane insulation to consistently maintain temperatures between -13 and 0 degrees Fahrenheit. (4) 2" casters are included to make cleaning under and around the unit a breeze, while an integrated drain plug allows for easy draining and manual defrosting to make the cleaning process even more efficient. A 110V electrical connection is required for operation.

1 Year Limited Replacement Warranty

Unless otherwise stated, Avantco Refrigeration warrants to the original purchaser of new, qualified Avantco Refrigeration units (and all parts thereof), that such equipment will be free from defects in material and workmanship for a period of 1 year from the date of delivery. If a qualified product is found to be defective during this period, Avantco Refrigeration will repair the defective unit, replace any defective parts, or replace the defective unit.

Replacement

What This Warranty Does Not Cover:

Avantco Refrigeration will not warrant coverage for component failure or other damages that arise under the following conditions:

- Failure to install and/or use unit within proper operating conditions specified by Avantco Refrigeration
- Failure to properly maintain the unit. This includes, but is not limited to, basic preventative maintenance such as cleaning the condenser coil.
- Products sold or used outside of the United States

Additionally, no claims can be made against this warranty for spoilage of product, loss of sales or profits, or any other consequential damages. Normal wear type parts, such as light bulbs and gaskets, are not included in warranty coverage.

For Warranty Inquiries or Service:

To obtain warranty service, contact the location that you purchased the product from:

www.WebstaurantStore.com:

Call 717-392-7472. You must have your order number ready when contacting.

The Restaurant Store:

If you purchased this unit from your local store location, please contact your store directly. A list of store locations can be found by visiting: <http://www.therestaurantstore.com/store-directory.html>

www.TheRestaurantStore.com:

If you purchased this unit online, call 717-392-7261. You must have your order number ready when contacting.

Failure to contact the designated location prior to obtaining equipment service may void your warranty.
