An excellent choice for bulk storage at your convenience store, ice cream shop, restaurant, or market, this Avantco CF18 commercial chest freezer gives you 18 cu. ft. of space to store a wide variety of product! This unit reliably maintains temperatures between -13 to 0 degrees Fahrenheit so you can safely hold anything from meat to ice cream or frozen yogurt. A basket is even included to hold smaller go-to items closer to the top of the freezer for improved organization and efficiency.

Cabinet temperatures are consistently maintained thanks to a 1/6 hp compressor that uses R-134a refrigerant for dependable operation in ambient temperatures up to 90 degrees Fahrenheit. The powder coated steel exterior and embossed aluminum interior are durable, sleek, and extremely simple to clean, while a drain is included to make manual defrosting a breeze as well! This chest freezer requires a 115V electrical connection for operation.
